

Press Release – Falcons Girls Fly High

On Saturday evening, 13th June, after an earlier qualification competition, Holly Jago and Megan Dunn represented Falcons' Gymnastic Club at the Girls Devon Apparatus Championships in Exeter. Holly in the Under 11's and Megan in the Under 15's were competing with the best girls in the County, many being South West Squad Gymnasts. Both girls exceeded all expectations and came away with medals.

Megan performed an elegant floor routine to gain a Bronze medal and on the Beam she went one better with a perfect display of flexibility and balance to gain the Silver. Holly put together a faultless bars routine to also win the Silver Medal.

The following day, Sunday 14th June, Both girls joined by Hannah Francis, Katie Beagley and Katie Harris travelled to the Forrest of Dean for Round 2 of the West Country League. Having won the Bronze Medal in round one with just 4 Gymnasts (Top 4 scores to count), with the return of Katie Harris the Girls were hoping to improve.

After a brilliant team performance the Girls secured the Gold Medal, winning by over 5 points. Individually, Holly Jago was 1st overall, Megan Dunn 3rd, Hannah Francis 4th, Katie Beagley 6th and Katie Harris 13th. Well done Girls.
