

Falcons Gymnastic Academy Club Competition. Thank you 2011

FALCON'S 7th ANNUAL CLUB COMPETITION Held on the 12th and 13th of June 2011.

The Big change in this years competition was that a lot of the organising was undertaken by the Leadership Academy. The Gymnastics Leadership Academies embraces youth involvement and brings together young volunteers aged between 12-24yrs. The LA assist in six main areas, Coaching, Judging, Events, Publicity / Promotion, Health Safety and Welfare and Admin and Management. I hope you all agree they did a brilliant job, giving Falcons a very successful weekend of competition and entertainment.

A big well done to all those that took part and congratulations and good luck to all the gymnasts selected for The Exeter Challenge on October 8th-9th. A full list of all the winners and some of the photos taken during the day, will be published on the website for all to see, including this page, It's a small thank you to those who gave help, raffle prizes and support.

Whilst providing a competition, one of the main objectives, is to raise money to improve the facilities at the Gym for all gymnasts to benefit. As mentioned on each of the days, with the change in planning for the New Gym, this has required additional costs which have to be paid up front, the money raised at the competition will be used for the planning and architects' fees.

The Club Competition Raised £592.43.

As a sign of our appreciation, it was felt that each person who helped towards the competition deserved a little recognition for their help. Thank you.
